The Hackettstown Board of Education and the Hackettstown Council of Administrators agree that an effective educational program is fostered by mutual respect, confidence, cooperation, understanding, support, and loyalty between Board members and Administrators working together. The Management Team composed of Central Office and Council Administrators is a concept recognized by the Board and the Council as inherent in the Hackettstown School district's philosophy, policy, and operational procedures.

ARTICLE I
RECOGNITION

The Board recognizes the Council as the exclusive representative of the following personnel employed by the Board for collective negotiation concerning the terms and conditions of employment:

Principals
High School Vice-Principals
Director of Special Services
Director of Student Pupil Services
Athletic Director

ARTICLE II
NEGOTIATION OF SUCCESSOR AGREEMENT

A. The parties agree to enter into collective negotiation over a successor Agreement. Negotiations for the successor Agreement shall commence no later than December 31 of the year prior to termination of the Agreement.

B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III
GRIEVANCE PROCEDURE

A. Definition: A "grievance" within the meaning of this Agreement shall be any controversy or dispute relating to matters of terms and conditions of employment affecting a member of the bargaining unit.

B. Purpose: The purpose of this procedure is to assure that grievances which cannot be resolved in the course of normal administrative rapport shall be given timely attention and consideration, and assured of ample opportunity for discussion at all administrative levels. The parties to this Agreement acknowledge a mutual desire that settlement of any grievance be secured, if possible, at the lowest administrative level. The parties agree, further, that proceedings be as informal and confidential as may be appropriate at any level of the procedure while yet assuring equitable and complete resolution of the issues of the grievance in an expeditious manner.

C. Procedure:

1. Level One: Informal Action. A unit member submitting an appeal in accordance with this procedure shall, within ten (10) school days of the alleged grievance, or within ten (10) school days of his knowledge of the alleged grievance, first discuss the matter being grieved informally with his immediate supervisor in an attempt to resolve the matter. The immediate supervisor may, at his discretion, discuss the matter with his supervisor and take other action appropriate to resolve the scope of authority and responsibility of his position in order to resolve the grievance at Level One amicably and in the spirit of good administrative rapport. If the matter is not resolved to the satisfaction of the grievant within ten (10) school days after informal discussion, the procedures prescribed in the following subsection of this section shall

become applicable.

2. Level Two: Formal Action. A formal grievance may be filed by an individual unit member, a group of members, or by the Council as the representative of a group of members. Such formal grievance must be initiated within ten (10) school days of the conclusion of Level One Action by submission of the grievance in writing to the Level One supervisor, specifying:

- A. The nature of the grievance.
- B. The nature and extent of the injury or loss to the grievant.
- C. The result of previous discussions in the processing of the grievance.
- D. The reasons for dissatisfaction with decisions previously rendered.
- E. The remedy requested.

The immediate supervisor shall communicate his decision in writing within ten (10) school days of receipt of the written grievance. A copy of the written decision at this and all subsequent steps in this procedure shall be forwarded to the Council.

3. Level Three: Superintendent of Schools/Board of Education. Where the Superintendent is the immediate supervisor with whom the grievance was initiated this level of the grievance procedure would be a hearing before the Board or a committee thereof. In other instances, this level of the grievance procedure would be a meeting with the Superintendent. The Superintendent may, at his discretion, discuss the matter with the Board or members of the Administrative organization as may be appropriate to resolve the grievance and may take other action including the conducting of a hearing of the matter with the parties in an attempt to bring about a mutually satisfactory resolution of the issues. Should such attempts at resolution fail to produce a satisfactory solution within twenty (20) school days from the date of receipt of this

written grievance by the Superintendent or, should the Superintendent render a decision in writing within the twenty (20) school day period, the grievant may appeal to the Board of Education within ten (10) school days of receipt of the Superintendent's decision or lapse of the twenty (20) day period for resolution at this Superintendent's level. The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the grievant and other parties of interest and render a decision in writing within twenty (20) school days of receipt of grievance by the Board.

D. Unit member Rights:

1. The Board and the Council shall assure the grievant freedom from restraint, interference, coercion, discrimination, or reprisal in presenting his grievance.

2. All documents and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

3. Meetings or hearings conducted under this procedure shall not be in public, subject to sunshine laws.

E. Time Limits: Time limits as set forth in this procedure may be extended by mutual written agreement.

F. If the grievance involves misinterpretation, misapplication, or violation of the written Agreement, the employee shall have the right within ten (10) workdays following the decision of the Board to request binding arbitration pursuant to rules and regulations established by the Public Employment Relations Commission under the provision of New Jersey Law. The arbitrator's opinion and award shall be in writing and shall contain detailed findings and conclusions. The arbitrator shall be without authority to add to, modify, or delete any provisions of this Agreement. The recommendations for settlement made by the Arbitrator will be binding

on both parties. The cost of the Arbitrator's services, if any, shall be shared equally by the parties and each of the parties shall bear their own costs.

ARTICLE IV

EMPLOYEE'S RIGHTS

A. The Board hereby agrees that every Administrator shall have the right to organize, join, and support the Council for the purpose of engaging in collective negotiations. Nothing contained herein shall be construed to deny or restrict to any employee such rights as may be granted under New Jersey School Law or other applicable laws and regulations.

B. The Board and Council agree that there shall be no disciplinary action, reprimand, or deprivation of any employees' rights without just cause; further, the Board agrees that no employee will be reduced in rank or compensation or any employment advantage without just cause. Nothing stated in this paragraph B shall be construed as granting contractual tenure to the employees covered by this agreement. It is expressly agreed that the just cause standard set forth in this paragraph B shall not apply to the Board's decision regarding either annual appointments or mid term terminations of non-tenure employees, since the employment relationship is deemed to be at will.

C. Members of the negotiating team shall be free from reprisals by the Board or its representatives.

ARTICLE V
COUNCIL RIGHTS AND PRIVILEGES

of the School District in situations of emergency.

ARTICLE VII

C. Sick leave protects individuals from loss of pay and is not to be abused. Violations of sick leave policy will result in loss of pay for the day or days involved.

D. The employee, upon retirement under New Jersey TPAF after ten (10) years of regularly appointed services in the Hackettstown School District, may elect, subject to eligibility restrictions as described in part 2 below, either of the following two options:

2. Terminal leave equivalent to 50% of their accumulated sick days up to a maximum of 135 days under the following conditions. This terminal leave clause shall only

apply to individuals occupying their positions on July 1, 2000, and shall not apply to individuals employed in this bargaining unit in the future. The exclusion for future employees refers to both, employees promoted into this bargaining unit from within, and employees hired into this bargaining unit from outside the district, OR

a) Notice of intent to retire shall be given by November 1 of the calendar year prior to retirement. The notice shall include the official retirement date and the approximate departure date which will be no sooner than June 30.

b) The salary for the school year in which the retirement is effective shall remain at the same level as on the date the notice of intent is submitted. All other contract provisions in effect at the time of the retirement shall apply.

c) In the event of the death of an administrator while on terminal leave, the balance of the salary payments to the date of the planned retirement shall be paid to the individual's estate. OR

d) If mutually agreed upon by the Board of Education and the Council of Administrators, in lieu of terminal leave the employee may choose to take terminal leave salary which is based on an individual's accumulated sick days. This payment can be spread over a two to six year period. The final amount will be based on the salary and stipulations outlined above. This amount will be calculated on a per diem value of the number of eligible days. Per diem will be calculated at $1/240$ of the last year of the individual's salary.

Such leave, for any reason or number of days, shall be granted or denied on a case-by-case basis at the sole discretion of the Board and such Board action shall not serve as a precedent with regard to future leave requests.

ARTICLE IX

EXTENDED LEAVE OF ABSENCE

A. A leave of absence without pay of up to one (1) year may be granted to any employee at the discretion of the Board. Any employee granted an extended leave of absence shall be required to notify the Board of intent to return or not return to work not less than 60 days prior to expiration of the leave. Such leave for any reason or number of days shall be granted or denied on a case by case basis at the sole discretion of the Board, and such Board action shall not serve as a precedent with regard to future leave requests.
